

Toyota Trucks- Tundra, FJ40, Tacoma, 4Runner

A 1976 Landcruiser FJ40, a 1989 4Runner, a 2003 4Runner, and a 2007 Tundra. Those are the Toyota's I have owned, what can I say I like them. I also like to accessorize my Toyota's and spend a lot of time online trying to find the best products and information about my trucks. I thought I would create a site that put all the information I compiled into one place.

Hopefully you'll find this information useful. Just a bit of what you'll find inside.....

- General Information, Specifications, and Comparision
- Accessories and modifications
- Do it Yourself(DIY) information

Site features:
